

Dany Lauzon, Ph.D. (P.Eng.)

Assistant Professor in Geostatistics

Polytechnique Montréal — Department of Civil, Geological and Mining Engineering

dany.lauzon@polymtl.ca · [GitHub](#) · [LinkedIn](#) · [Google Scholar](#) · [ORCID](#)

Education

Ph.D. in Mineral Engineering

Polytechnique Montréal · 2019–2022

Thesis: Development of algorithms for calibrating geological models using discrete and spectral geostatistical methods

Supervisor: Denis Marcotte

Bachelor in Geological Engineering, specialization in Environment

Polytechnique Montréal · 2015–2019

Professional Experience

Assistant Professor

Polytechnique Montréal — Civil, Geological and Mining Engineering · 2024–present

Postdoctoral Fellow

University of Neuchâtel · 2023–2024

Project: Stochastic simulation of karst networks using deep generative models for groundwater flow

Supervisor: Philippe Renard

Postdoctoral Fellow

INRS — Water Earth and Environment Research Centre · 2022–2023

Project: Quantifying uncertainty and improving prospectivity mapping in mineral belts using transfer learning

Supervisor: Erwan Gloaguen

Areas of Expertise

- Mathematical geology
- Stochastic processes
- Groundwater
- Algorithms
- Modeling and simulation

Awards

- **Alexander Graham Bell Canada Graduate Scholarship – Doctoral (CGS D)** (2021–2022) — NSERC
- **Canada Graduate Scholarship – Master's (CGS M)** (2019–2021) — NSERC
- **Undergraduate Student Research Award (USRA)** (2018) — NSERC + FRQNT (supplement)

Distinctions

- Recipient of the Best Instructor award, Mining Engineering program, Polytechnique Montréal (2026)
- Candidate for the Best Instructor award, Geological Engineering program, Polytechnique Montréal (2026)
- Recipient of the Best Instructor award, Geological Engineering program, Polytechnique Montréal (2025)
- Recipient of the Best Lecturer award, Geological Engineering program, Polytechnique Montréal (2024)
- Recipient of the Best Lecturer award, Geological Engineering program, Polytechnique Montréal (2023)
- Lieutenant Governor's Youth Medal (2020)

Associations

- President and founding member of the Association des hydrogéosciences du Québec (AHGSQC)

Professional Affiliations

- Association des hydrogéosciences du Québec (AHGSQC)
- International Association for Mathematical Geosciences (IAMG)
- Canadian Geotechnical Society (CGS)
- International Association of Hydrogeologists (IAH)
- European Geosciences Union (EGU)
- American Geophysical Union (AGU)
- Ordre des ingénieurs du Québec (OIQ — P.Eng.)

Conference Organization

- Member of the scientific and organizing committee of the 24th Annual Conference of the IAMG in Montreal, 2026 (250+ international attendees expected)
- Member of the scientific and organizing committee of the 2nd Annual Conference of the AHGSQC at INRS, 2026
- Member of the scientific and organizing committee of the 1st Annual Conference of the AHGSQC at Polytechnique Montréal, 2025 (51 attendees)

Languages

- **French:** native language
- **English:** professional bilingual
